To whom it may concern,

As one of the PC Chairs and organizers of the international conference on AutoML (AutoML'23), I hereby confirm that Ruczyński Hubert presented the paper 'forester: A Novel Approach to Accessible and Interpretable AutoML for Tree-Based Modeling' at the poster session at the conference in Potsdam, Germany, from September 12-15, 2023.

Sincerely,

A handwritten signature in black ink that reads "Colin White". The signature is written in a cursive, flowing style.
